CREAM OF NEWS.

IF IT IS NEW AND TRUE THIS COLUMN HAS IT.

Campbell Held Over—Boy Killed at Dawson—Dropped Dead—Fined \$200—Take a Vacation.

Died Like His Wife.

Gracy, Ky., July 28.—Mr. Lee Hall, aged seventy years, of Montgomery, Ky., died suddenly in his chair. His wife died in the same manner a few days ago.

The Eclipse on Time.

The annular eclipse of the sun scheduled for 7:30 yesterday morning, arrived on time and lasted about three hours. The sun assumed a crescent shape, which was easily seen through a smoked glass. The day was bright and the show was free to all who cared to look.

Charlie Campbell Held Over.

The examining trial of Chas. Campbell for shooting Flagman C. N. Crowder was held Tuesday at Henderson and Campbell was held over and his bond fixed at \$2,000. At last accounts he had not given the bond and was still in jail. The grand jury meets in September. Crowder was able to attend the trial.

Verdict For the Defendant.

The jury in the case of George T. Sadler vs. the American Surety Company, of New York, for \$2,500, which had been engaging the attention of the Todd county circuit court for the past week, returned a verdict Tuesday evening for the defense. The case attracted a great deal of attention and a large number of witnesses were examined.

The Tobacco Board of Trade.

The Hopkinsville Tobacco Board of Trade on yesterday suspended all sales of tobacco until August 10, upon the request of the tobacco markets of Cincinnati and Louisville. The object is to give the tobacco men a short summer vacation. Several members of the local board will take trips to the mountains, and others will join the Old Point excursion.

Seabee Camp Meeting.

According to the arrangement agreed upon two months ago the Seabee camp meeting will commence on Tuesday next, Aug. 3. The meeting will last fifteen days and preparations have been made to accommodate everybody. There will be a conspicuous absence of the usual lemonade stands, cake tables, etc., as no bartering will be permitted on the grounds.

Fined a Second Time.

Mr. H. H. Bryant, of Gracy, about a month ago was insulted by an old negro named Joe Chappell and chastised him with a stick.

The negro had him arrested and tried in the county court here and a fine of \$2.50 was assessed against Mr. Bryant.

On Tuesday Mr. Bryant was again arraigned in the same court to answer a suit for damages. Chappell claimed to have a sore on his hand as the result of his whipping. Mr. Bryant introduced several witnesses to prove that the old man hurt his hand by a fall from a hayloft.

The jury of four white men and two negroes fined Mr. Bryant \$200. An appeal will of course be taken.

A Lunatic Escapes.

Deputy Jailor Grady received a postal to-day from Superintendent Gardiner, of the Western Kentucky asylum at Hopkinsville, informing him that Jack Brigman, of this county, had escaped from that institution and was now at large. Brigman was carried to the asylum about six weeks ago by Mr. Grady, and he is considered a dangerous lunatic. He is especially dangerous towards one man who lives near Brigman's home, in the Clark's river section. The officers here will keep a lookout for the man, as it is probable that he will return to his home.—Paducah News.

Didn't Know It Was Loaded

A fatal accident happened near Dawson Tuesday afternoon. Some young men had been engaged in target practice, among them John Scott, a young man of that neighborhood. Scott had been shooting at the mark, and as he thought, had emptied his pistol. He then turned and pointed the weapon at Frank Castelle, a thirteen-year-old boy, who had been watching the fun. When he pulled the trigger the pistol fired and young Castelle fell mortally wounded. The ball entered the boy's neck. The accident happened about a mile west of Dawson and Scott immediately went to the latter place and surrendered to the city marshal. He seemed to be greatly affected by the unfortunate affair. He was taken to Madisonville Tuesday night and lodged in jail to await an examining trial.

A party of 150 men will leave Chicago next Saturday for the Klondike gold fields.

FOR CONGRESS.

HON. H. D. ALLEN, OF MORGANFIELD, AN AVOWED CANDIDATE.

No Man in the District Better Qualified to Protect the People's Interest Than Union's Son.

(Uniontown Telegram.)

Hon. H. D. Allen, of Morganfield, is an avowed candidate for the Democratic nomination for Congress in this district. After a serious contemplation of the matter Mr. Allen has at last decided to enter the field, much to the delight of his many friends, not alone in his home county, but all over the entire Second district. It is too early yet to begin the fight, but when the proper time arrives Union county's candidate will enter into an energetic canvass of the district and continue it to a successful end with that same vim and determined energy which has ever characterized his past actions. All who know him will unhesitatingly join us in our avowal that a search throughout the entire Second district could not result in the discovery of a more thorough gentleman, able scholar or man better qualified to fill the position to which he aspires than H. D. Allen. For years he has stood at the head of the Union county bar, and as an orator his ability is unquestionable as his numerous oratorical fights for Democracy in the past have clearly shown. No one can deny that Union county should this time fall the Congressional office and with this acknowledged fact in view, and with such a competent man to trust the people's interest, it is safe to prophesy that Mr. Allen's candidacy will terminate in naught but success.

HAVING TROUBLE.

That Mixed Ticket May Fall Through Since the Kentuckian's Exposure.

The Republicans and Palmerites are having trouble in getting up their "Citizens Fusion Ticket," as it is to be called. On Tuesday night they held another meeting and nominated men in the Second and Fourth Wards.

The young man selected for the Fourth Ward indignantly refused to run on a mixed ticket. He even requested the KENTUCKIAN not to mention his name in connection with the matter. It is also known that Mr. John Moayon, who has heretofore expressed a willingness to run in the Second, now declines to have anything to do with politics and especially that kind of politics.

The nominee who it is said was asked to run in the Seventh Ward, was questioned by a KENTUCKIAN representative and declined to admit that he was a candidate. He laughingly said it was too early to talk yet. This opinion is growing that he, too, will pull out of the combine when he finds out what it is trying to accomplish. Nominations were also made in the First and Third Wards, but if the men selected have agreed to run, they have not yet announced the fact. As both are in public business, it is by no means certain they will take a step that will antagonize four-fifths of the white people of the city.

So far as the public is advised, only two wards have been definitely fixed. These are the Fifth and Sixth, where the present incumbents are anxious to succeed themselves.

In the meanwhile the colored voters are doing some talking. Several of the leaders openly declare that they must know exactly what offices they are to get before they elect to office men who claim to belong to one party, hold conventions with another and vote with still another.

MR. GEORGE W. CAYCE DEAD.

An Old and Wealthy Citizen Dies of Old Age.

Mr. George W. Cayce died at his home near Beverly Wednesday night, the 28th inst., in the 91st year of his age.

He had been in failing health for a year or more and last August was rendered helpless by a stroke of paralysis, from which he had only partially recovered.

His death was due to a general decline incident to old age.

Mr. Cayce was a man of large wealth and had for fifty years been one of the most prominent farmers in the county.

He was a member of the Christian church. He leaves a large number of descendants in the county, also a widow to whom he was married several years ago.

The interment will take place this afternoon at the family burying ground.

Collector Yandell qualified and took charge of the revenue office at Owensboro Wednesday.

Daniel Roper, a Terre Haute fireman, was killed by a live wire.

THE PEDAGOGUES.

THE TEACHERS' INSTITUTE WILL CLOSE TO-DAY.

An Interesting Session With a Large Attendance—Synopsis of the Proceedings.

The teachers of the county are having the best Institute they have ever held. The attendance is very large and much interest is being taken in the work.

Prof. Peterman is a capital conductor and everybody is pleased with the way he dispatches business.

A program committee of which Miss Jennie West is chairman prepares the program from day to day.

Tuesday night Prof. Peterman delivered his lecture on teaching. It is a talk that always pleases even the most critical of audiences. The address is not only instructive but abounds with practical suggestions and touches of humor that make it exceedingly interesting.

After the opening exercises on Wednesday morning, Miss Pattie Bartley recited by special request a humorous piece by Eugene Aram, entitled "Seen' Things." Miss Bartley is a pupil in the tenth grade of the public school and has already made quite a reputation as an elocutionist by her recitations, which never fail to make a hit.

Several subjects were discussed by the teachers, and Prof. Peterman took part in some of the discussions.

In the afternoon arithmetic was discussed, and Profs. Sollee, Brown and Dietrich and Miss Mattie Walker were the principal speakers. This was one of the most interesting discussions so far held.

Yesterday's session was opened with a discussion of grammar, which brought out a number of good speeches.

Geography was then taken up Miss Lelia Hiser, J. M. Burnett and others discussing the subject.

In the afternoon the first subject was Civil Government. Miss Buchanan, Miss Jennie West, Mrs. S. D. Allen, Miss Edna Wood, J. G. Wright and J. A. Wardroper were the principal speakers and the discussion was closed by Prof. Peterman.

United States History was next taken up and discussed by J. M. Calvin, U. L. Clardy and others.

Then followed Miss McDaniel with a talk on the duties of Trustees, and Mr. W. F. Fowler with a discussion on school laws.

The session will close at noon to-day.

The two subjects for discussion this morning are School Discipline by Walter Knight, and School Laws by Hon. J. W. Morgan. Other exercises will be of an informal character.

The Committee on Resolutions will report. It consists of W. E. Gray, J. G. Wright, Mrs. Ella Walker and Misses Lelia Hiser and Daisy Rich.

COUNTY POLITICS.

Democratic Ticket to Be Nominated Next Monday.

The Democratic County Committee of Christian county will meet next Monday for the purpose of selecting candidates for a county ticket. There are twenty-eight members of the committee and all candidates have requested that the committee select the candidates. There are candidates for nearly all of the offices and a full ticket will be nominated.

Mr. Jas. K. Forbes will be the nominee for County Judge and will go in to win.

Mr. Albert Kelly will be the nominee for Circuit Court Clerk, and Chief of Police J. Sol. Fritz will be on the ticket either as County Clerk or Sheriff.

There are three or four candidates for Jailor. They are L. L. Nichols, S. L. Hord and J. A. Miles.

For Assessor, J. G. Yancey, J. J. Ogburn and Lee King are announced candidates.

H. B. Crunk wants the nomination for Surveyor, and W. T. Vaughan for Coroner, and both will be chosen.

Prof. U. L. Clardy and Prof. John Sollee are candidates for School Superintendent.

There are no announced candidates for County Attorney and Representatives, but good men will be found for these positions.

The committee will meet at 10 o'clock at the city court room and all of the members are expected to be present.

Shortage in Wheat.

That there is an actual shortage in wheat in the Argentine Republic, has been demonstrated by the chartering of several big ships at San Francisco, Calif., to carry wheat to Brazil. These ships will carry a large store of grain to the Brazilian capital, the first time in the history that a cargo of that kind has gone from there to the port. Brazil has always depended upon the Argentine for its wheat supply heretofore.
